FOR IMMEDIATE RELEASE

**EYES INC OF NJ SECURES DOL/VET FUNDING TO ASSIST
HOMELESS VETERANS IN NEW JERSEY WITH EMPLOYMENT**

ESSEX COUNTY, NEW JERSEY – September 1, 2021. After successfully developing and implementing an HVRP (Homeless Veterans Reintegration Program) for the past four years for another agency, **Dr. Croix-Ronald Coppáge** has been successful once again in securing **HVRP** funding; but this time it is for **EYES INC of NJ**, the nonprofit agency he established, and where he is the Chief Executive Officer.

Under **Dr. Coppáge**'s leadership, *Maximizing Opportunities for Veterans to Employment and Success (MOVES)* will target at-risk homeless veterans in the north and central regions of New Jersey; as well as target incarcerated veterans, who are 30 or less days from returning to any of the counties being served.

MOVES will provide centralized access to a strong supportive network of comprehensive, client-centered, wrap-around services to strengthen and enhance stability for no less than 100 New Jersey Veterans and their families. This will be buttressed by direct supportive services, including free career-driven vocational and soft-skills training; job placement services, legal services, and critical transportation. Further, to support our Veterans with job retention, **MOVES** offers limited financial assistance with cell phone bills, car insurance, etc. that are in arrears. Also, **MOVES** offers emergency housing referral services (SSVF), permanent housing through HUD-VASH, domestic violence and MST support and counseling, as well as linkage to VA Benefits.
